The problem with…

Unpicking the new GDC standards
and putting them into practice

A course for Dental Nurses

A workshop for dental nurses to support an understanding of the new GDC standards and what they mean to you professionally and personally.

Aim

To provide you with an understanding of how the New GDC standards impact on you as an individual and how you can evidence your learning against the standards ensuring you are fit to Practice.

Objectives

- You will have clarity of how the new standards are used by the profession and GDC
- You will be able to map the new standards against your CPD
- Understand how pdps play a role in the five year CPD cycle
