Aim
This course is designed to increase awareness as to why pressing the button requires the appropriate training to enable the dental nurse to be competent in undertaking this task as well as investigating the problems that may occur in the processing procedure and understanding current legislation.

Objectives:

- Understand your responsibilities and accountabilities
- Understand how you can be deemed competent at pressing the button
- Identify problems that occur during processing

Learning outcomes:

- To apply knowledge to clinical practice
- To consolidate knowledge on legislation

*This course qualifies for 2.5 hours verifiable CPD*
