## CALL FOR ABSTRACTS

We would love to know what has been happening in the North West around the theme of 'Leadership - Making it Matter'. Would you like to share your work and submit an abstract to deliver a workshop or present a poster at the conference? If so let us know when you register!

The conference will be relevant to Leaders in Clinical Education, Educators, Consultants and GPs. There will also be places available for non-medical staff who have an involvement or interest in leadership.

**Please note:** This conference is fully funded by Health Education England and our cancellation policy will be applied.

For further details about the conference including how to register please visit
