

Bernard Alston BChD LDS RCS

I qualified from the Royal College of Surgeons in October 1977 and Leeds University in March 1978. I currently practice in Domiciliary Care and have a special interest in Domiciliary Care and Facilitated Access for the Elderly.

My professional experience includes:

- 40 years' experience in the profession
- Senior partner in 8 surgery GDP practice for 25 years
- VT Trainer three times
- Clinical Director in CDS for 8 years
- Currently Clinical Director of FCMS Dental Service
- Clinical advisor the NHS England Lancs and S Cumbria
- Vice Chair of Lancs and S Cumbria Local Dental Network
- LDC member for 22 years. Currently secretary of Lancashire and S Cumbria LDC Executive.

I am definitely an animal person! My wife and I have a horse and ride regularly. We also have a 5 year old rescue Staffy who goes everywhere with us! We are keen keep fit enthusiasts and besides riding we enjoy fell walking and climbing.

If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice
