

NORTH WESTERN DEANERY – INFORMATION FOR TRAINEES

Please can you kindly to complete this form to provide more information to trainees when considering educational placements. Many thanks.

Unit Name and description

East Lancashire Hospitals NHS Trust

We are large hospital trust with 6000 deliveries per annum. We deliver care across 3 sites, with our consultant birth suite situated in Burnley. We deliver a comprehensive range of services, including placental clinic, and infertility care. We have laparoscopic theatre, are an accredited endometrisois centre, and have BSUG accreditation. We have a long history of educational excellence. We have many years of excellent GMC survey results for obstetrics and gynaecology.

College Tutor (name and contact email address)

Mr John Shanks
