

Claire McLoughlin BChD, Certificate of Teaching & Learning in Clinical Practice

I qualified in Leeds in 1989. I am currently a clinical supervisor at Morecambe Dental Education Centre. I previously worked 26 years in general practice, treating patients privately and under the NHS.

Outside of dentistry I enjoy walking, swimming, cooking, sewing and spending time with my grown up children!

If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice
