<b>Practice Profile</b>	The practice is a busy mixed practice with a large NHS and private base. We have been a training practice for over 10 years and are located just outside the town centre. There are 5 surgeries all fully equipped. We use SOE Exact computer software and digital xrays. The current team consist of myself , 2 associate, the current FD, a part time therapist , our nurses , a receptionist and a practice manager.
<b>DFT ES Biography</b>	Following my graduation from Manchester Dental School, in 1995, I continued my dental career at the practice where I completed my foundation dental training. I carried on as an associate at the practice, establishing a great patient base and working towards a good NHS, private and Denplan cliental. I successfully took over the practice in 2008, and have continued as a successful educational supervisor for the last twelve years. My interests include golf, cars, and watching great movies.
