I completed my foundation year at a practice on the Wirral and spent some time working in a hospital in north Wales before embarking on a career in general practice. I have been associated with Oak Dental Care for a long time. Firstly, as a patient when I was a child, then as a student doing work experience, before joining as an associate in 2011 and finally becoming joint owner in 2018.</p> <p>I completed a postgraduate certificate in orthodontics in 2019.
