

## Frances Watkins BDS MSc Restorative / Cosmetic Dentistry 2010

---

I qualified in Newcastle in 1991. I have a special interest in Restorative / Cosmetic Dentistry following going 'back to school' after 20 years to complete an MSc. I currently work in a mixed private / NHS practice, undertaking short term adult orthodontics and Cosmetic dentistry. I am a partner of Green dental, established 4 years ago. I became appraiser as I am passionate that all can achieve their full potential by maintaining interest and remaining engaged with dentistry.

I am a kayaker Instructor and a mother of 2 older teenagers, engaged in many aspects including school PTA, volunteering in sports clubs but never happier than when skiing and kayaking with friends and family.

*If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice*
