The practice currently has an FD, 3 therapists, one hygienist, 7 dentists including myself, one of which is an implantologist, and one of which is an endodontic specialist.
---	---

ES Biography:	<p>I am a dedicated and highly experienced dental practitioner, who began my career journey after graduating from the University of Leeds in 1999. I completed VT and have worked as an Associate since. Driven by a desire to broaden my expertise and deliver exceptional patient care, I attained Membership of the Faculty of General Dental Practice (MFGDP) in 2005.</p> <p>In 2019, further highlighting my commitment to ongoing professional development, I earned a postgraduate Certificate in Restorative Dentistry. This has equipped me with comprehensive</p>
----------------------	--

skills and knowledge, enabling me to provide effective restorative treatments and improve my patients' dental health and smiles.

My passion for dentistry goes beyond practice; I am fervent about sharing my wealth of knowledge, and undertook my first ES position in 2022-2023. I have a keen interest in dental education, and I'm committed to actively promoting good oral health practices and nurturing the development of future dentists.

Away from my professional duties, I enjoy spending quality time with my two young children and am a passionate collector of vinyl records. However, my true passion lies in dentistry. I make it a priority to stay updated with the latest advancements in dental technology and techniques, ensuring my patients receive the very best in care.

My dedication to my patients is reflected in my unwavering commitment to providing personalised, effective dental care within a friendly and comfortable environment. Whether you require preventative advice, restorative treatments, or a routine check-up, you can be assured that you are in safe and expert hands.
