

Ian Wild BDS

I qualified in Edinburgh in 1984. I work 4 clinical days a week predominantly within the NHS and I am Clinical Director at Brock Street Dental Practice, Lancaster. I currently lecture for HEENW on 'Working within NHS Regulations.' I have been the principal dentist at our predominantly NHS 6 surgery practice in Lancaster since 1988. In that time I have been involved in Vocational / Foundation Training for about 17 years. I am a member of the NHS England Lancashire Dental Routine Care Network. I have been a GDP appraiser in North Lancashire since the inception of the scheme and try my best to make it a beneficial exercise for the appraisee, bringing a friendly, helpful and common sense approach to the process.

I consider myself an easy going person. I am married with a grown up family and live close to the Lake District. I enjoy all things outdoors and sporting and still enjoy a beer with my mates in the pub.
