<b>Practice Phone Number:</b>	01695 724052
<b>Email Address:</b>	reception@sandylanedental.com
<b>Practice Website</b>	sandylanedental.com

## DFT – Educational Supervisor – Practice Profile – 2023-2024

<b>Practice Profile:</b> (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>The practice is a large, modern six-surgery family practice with a fantastic reputation within our local community. We have been a training practice for over 25 years and have been a BDA Good Practice member for over 20 years. With such an approachable and large clinical team to learn from, there is a wealth of knowledge to be gained as a foundation dentist. We have a supportive and friendly team of experienced dentists, dental nurses, receptionists, and practice manager.</p> <p>The practice offers a full range of both NHS and private treatments including implants. You will have access to all materials and equipment, including an intraoral scanner, a DSLR camera, a sandblaster, an airflow handpiece, and rotary endodontic equipment.</p> <p>Our practice is located just off junction 4 of the M58 motorway and is easily commutable from Liverpool and Manchester. There is free car parking at the practice and plenty of local shops and amenities.</p> <p>Working hours for the foundation dentist are Monday, Wednesday and Thursday 8:45am-17:00pm and Tuesday 8:45am-18:45pm (patients are booked in from 9:00am). Most Fridays, when not a study day, will be time off in lieu for working until 18:45pm on Tuesdays.</p>
---	---

<b>ES Biography:</b>	<p>I graduated from the University of Manchester and joined our practice in 2019. For the past two years, I've had the privilege of serving as an educational supervisor.</p> <p>I love teaching all aspects of general dentistry, but I have a particular passion for aesthetic restorative dentistry and oral surgery. I also really enjoy paediatric dentistry and participated in an enhanced paediatric pilot scheme, through which I received referrals from our local community dental practice. I am dedicated to providing the highest quality training for our foundation dentists and am currently pursuing a Postgraduate Certificate in Clinical Teaching.</p> <p>Outside of dentistry, I have a huge passion for travel – I just recently returned from an amazing trip to Australia and New Zealand! On weekends, I enjoy spending time with friends and family and exploring new food and drink spots in my home of Manchester.</p> <p>As an educational supervisor, I bring not only extensive knowledge and skills in modern techniques and guidelines but also empathy and valuable guidance. My goal is to support you through this rewarding (and sometimes challenging!) year, ensuring you receive the best possible training and experience.</p>
