

Javed Ikram BDS FDSRCPS (Glas) FDSRCS (Eng) DRDRCS (Eng) PGDipOMFS

I qualified in Liverpool in December 1991. I have a special interest and accept referrals in implantology (including bone grafting), oral surgery, endodontics, IV sedation and restorative dentistry. I am a tier 2 oral surgery contract holder. Since becoming a clinical director of Aesthetic Dental Solutions in 2010, it has grown to 4 practices - 2 mixed and 2 private. I work 4 days as a private practitioner with emphasis on referral and complex cases and 1 day administration.

My teaching responsibilities include:

- ADI mentor
- lecturing in oral surgery along with hands on courses nationally
- previously taught in MDH for 13 years - MSC in OMFS
- previously taught in Salford – implantology
- previously staff grade oral surgeon and implantologist – UCLAN

I am an active member of LDC and I am passionate about teaching / mentoring and developing our next generation of dentists.

Outside of dentistry I love cooking, reading and spending time with my family.

If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice
