I qualified in Newcastle in June 1991. I am currently a general dental practitioner, a practice owner and an out of hours emergency dentist for Carlisle DEC. I teach dental nurses on a Fluoride Varnish course and I am an ex FD trainer. I am the current North Cumbria Local Dental Network Chair.

I am a friendly and approachable person. I am married with a son away at university. I enjoy getting out into the great outdoors with my lively Labrador. I enjoy cooking and socialising.
