Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>We are a 3-surgery mixed NHS and private practice based in Bolton, serving a diverse patient population with a slightly older demographic. This provides excellent exposure to both restorative care and, at the other end of the spectrum, patients opting for extractions and prosthetic replacements.</p> <p>We offer specialist services including dental implants and endodontics. Our team comprises 3 dentists with varying interests—cosmetic dentistry, endodontics/restorative care, and implant surgery—supported by a dental therapist.</p> <p>We have 3 experienced dental nurses, 1 trainee nurse, a receptionist, and a practice manager.</p> <p>Led by a young, forward-thinking practice owner, our team enjoys exceptional morale and a shared commitment to patient care and professional development.</p>

ES Biography:	<p>Jabir graduated from Leeds in 2017 and completed Foundation Training in 2018, winning the restorative case prize for his cohort. He has a special interest in implant surgery and prosthetic dentistry and is currently completing a Master's in Implantology. He also works in the out-of-hours emergency dental service. Jabir has had research published in a European journal.</p> <p>Known for his supportive and encouraging approach, Jabir is passionate about helping colleagues build their confidence and develop their skills—always ready to support them as far as they are willing to go.</p> <p>Outside dentistry, he follows football, supports Real Madrid (it's a long story), and enjoys reading non-fiction and spending time</p>
