Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>We are a busy, friendly, long established dental practice offering high quality dental care to our local community. We have modern facilities with five well-equipped dental surgeries, each with their own digital X ray machine and rotary endodontic equipment. We have a dedicated decontamination room and two intra oral scanners.</p> <p>Our experienced team includes five dentists, eight dental nurses (six qualified and two students), a dental therapist and a supportive practice manager.</p> <p>We provide NHS dental services, alongside offering private treatments, such as, tooth whitening, composite bonding and clear aligners.</p> <p>The practice benefits from excellent transport links, located just a 5 minute walk from the local train station, easy access to the M61 motorway (30 minute drive from Manchester) and has a large, free carpark directly behind the practice.</p>
--	---

ES Biography:	<p>Graduating from the University of Sheffield in 1999, I have over 25 years of experience delivering high quality dental care within NHS general practice.</p> <p>I have a particular interest in paediatric dentistry and in supporting anxious patients, trying to create a calm reassuring environment for all who visit the practice. I currently work four clinical days in practice.</p>
----------------------	---

Since 2022, I have worked as a mentor to overseas qualified dentists which has developed my passion for dental education and in supporting new colleagues entering the profession.

Outside of dentistry, I'm a parent to three children and enjoy walking, cycling and travelling.
