CT1 Psychiatry

LETB/Deanery: Health Education Thames Valley	
Specialty & Level (type of work)	CT1 Psychiatry
Programme Details	The Core Psychiatry training programme is a 3 year programme, starting at CT1
Role Description	During the 3-year programme, the trainee's work will be monitored for satisfactory progress and subject to annual reviews in the form of ARCPs. Progression on the programme will be dependent upon these reviews.
	Clinical care will be delivered at a range of sites requiring trainees to travel effectively and efficiently to, for example: Trust sites, patients' homes, police stations, clinics and other associated sites. Travel costs from base location to other sites will only be reimbursed for business mileage (valid insured drivers/vehicles) and journeys using all forms of public transport (including taxis) will be reimbursed at the public transport rate.
	The posts on this rotation have been approved for Specialist Training by the GMC & RCPsych. The programme is designed to equip the trainee for Higher Specialist Training in their chosen specialty.
	The Postgraduate Dean has confirmed that this post has the necessary educational and staffing approvals.
	The programme is based in several different Trusts throughout Health Education Thames Valley, and trainees may find themselves in any of the following locations:

Further Information about your LETB/Deanery	**About Health Education Thames Valley** We are the Local Education and Training Board (LETB) for Thames Valley covering Berkshire, Buckinghamshire and Oxfordshire. Our vision is to ensure the delivery of effective workforce planning and excellent education and training to develop a highly capable, flexible and motivated workforce that delivers improvements in health for the population of Thames Valley. Thames Valley LETB is responsible for the training of around 2000 Foundation and Specialty trainees. Health Education Thames Valley is a relatively small organisation with a defined geographical area which serves as a single unit of application. In the majority of cases successful candidates will be asked to preference their choice of location for either one or two years. Some programmes will require successful candidates to indicate a location and specialty. Future placements will usually be based on individual training and educational needs. **Please note that applications are to the Health Education Thames Valley as a whole. This may mean that you may be allocated to any geographic location within the deanery depending on training needs.** Key Contacts Jane Bishop, Programme Manager: Jane.bishop@thamesvalley.hee.nhs.uk Jan Harris, Administrator: Jan.harris@thamesvalley.hee.nhs.uk Daniel Kidd, Recruitment Manager: Daniel.kidd@thamesvalley.hee.nhs.uk
