

CT1 Psychiatry: The Wales Deanery	
Programme Details	<p>The School of Psychiatry in Wales is committed to ensuring that we offer a high quality, curriculum driven, sustainable training programme with the aim of producing Psychiatrists of the highest caliber, to deliver the best possible care for their patients.</p> <p>Psychiatry trainees will enjoy a combination of intellectual challenge and the opportunity to really understand the 'whole patient'. With opportunities to pursue interests in areas such as child, adult, old age psychiatry and supporting learning disability or rehabilitation, this specialty offers diversity of practice across a broad range of clinical and community settings during their 3rd year.</p> <p>Trainees in Wales benefit from exceptionally supportive peer and professional relationships and high standards of teamwork.</p>
