| <b>Practice Profile:</b><br>(e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc) | 6 surgeries / 7 dentists / 2 hygienist and a therapist. Staff approx 22. We are equipped with our very own Implant Centre placing over 180 Dental Implants per year. We have invested in equipment and Technologies such as digital printers, intra oral scanners, OPG & CT scanners, Modjaw, and Airflow. We also have our own endodontist in practice, along side offering clear aligners and cosmetic treatments.  |          |
| <b>ES Biography:</b>   | <p>Laura started her dental career in 1997, qualifying as a dental nurse and later qualified as a dental hygienist in 2001. Laura went on to study dentistry and graduated from Liverpool Dental Hospital in 2010. After a year working in community dentistry, she came into general practice and has worked in both NHS and private practice since. Due to her dental hygiene, she is keen on preventing dental diseases and helps patients with this. Laura has helped many nervous patients over the years and built their confidence by spending time making them feel at ease. In her spare time, Laura enjoys spending it with her daughter and another enjoyment Laura has, is watching live music with friends and family.</p> |          |
