

Mark Cohen BDS (LIV 1986) Cert Education and Assessment C&G level 3 (2016)

I qualified in Liverpool in 1986. I was previously a practice owner for 30 years. I am currently an associate in general dental practice, specialising in general dentistry and a part time clinical tutor at Manchester Dental Hospital.

I am the ex-treasurer of LDC, a role I undertook for 12 years. I am a keen jogger, usually 10k, but have previously completed a half marathon.

If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice
