DFT – Educational Supervisor – Practice Profile

	<p>My background as a serving practice owner since 2016 and as an Educational Supervisor since 2020 has allowed me the opportunity to mentor numerous recent graduates.</p> <p>I have a Post Graduate Certificate in Teaching and Learning in Clinical Practice and a Diploma in Dental Law and Ethics which has allowed me to give more back to those I mentor and supervise.</p> <p>My current position as a mentor for Greater Manchester training hub has reinforced my philosophy of continuous learning, ethical practice, and helping foundation dentists achieve their full potential.</p> <p>I try to nurture an environment of inclusivity and teamwork, so the Foundation Dentist feel supported at all times. We have a fantastic, experienced and supportive team who will make you feel welcome and comfortable.</p> <p>I enjoy all aspects of dentistry so there is ample opportunity for the Foundation Dentists to gain experience in a broad range of treatments. You will also have the opportunity to offer private dental treatment.</p> <p>We can also offer guidance in restoring implants and aligners to those interested. There will be opportunities to assist and observe the visiting Implantologist.</p> <p>You will also come out to domiciliary visits and experience dentistry in people's homes and care homes. Buddy school visits will also be part of your learning experience with us.</p> <p>Overall, we hope to give you the opportunity to set your own pathway for what you will enjoy in your future dental career.</p>
