ES Biography:	<p>I qualified in 2019 from Newcastle University and relocated back home to Manchester, completing my foundation year and first few years of practice in Wythenshawe. I then moved to a practice in Salford and finally then to Altrincham Dental. Since qualifying I have completed the MFDS examination and carried out a variety of courses including Invisalign, Cfast and facial aesthetics.</p> <p>I enjoy providing holistic care to patients in a calm and relaxing environment, and our practice as a team supports that ethos. To get the most out of your FD year I want you to feel able to discuss anything and learn as much as you can! It is very much an 'open-door policy'.</p>
