ES Biography:

I have been the Principal Dentist at Union Street Dental Practice since 2012. I graduated from The University of Birmingham in 2010 before working in general dental practice in Middleton and Rochdale before settling in Oldham. I have completed additional training for a Postgraduate Certificate in Dental Implants and a Post Graduate Diploma in Restorative and Aesthetic Dentistry.

Currently I am enrolled on a Postgraduate Certificate in Digital Dentistry providing the latest in digital dentistry.

I have a passion for everything cosmetic, fixing and creating beautiful smiles, and will endeavour to put a smile back on my patients' faces that they can show off to the world.

I share two daughters with my wife Sheena, who also a dentist at the practice. I enjoy taking them hiking and exploring nature around us. Since I was a child I've always loved animals and spending time outdoors, whether it be rock climbing or camping, when I'm not working at the practice, I will definitely be outdoors on some adventure.
