Practice Profile	<p>We are a well-established, 7-surgery dental practice located in the heart of Rochdale, a historic town in Greater Manchester known as the birthplace of the co-operative movement. The practice is easily accessible by tram, train, and bus, we also offer convenient onsite parking.</p> <p>As a mixed NHS and private practice, we serve a diverse patient base, providing opportunities to gain experience across a wide range of dental treatments. We also offer both NHS and private orthodontic services, creating a valuable learning environment for Foundation Dentists. Our team includes dentists, dental nurses, therapists, orthodontic therapists, a treatment coordinator, reception staff, and a practice manager. The practice is led by two principals, and all surgeries are well-equipped and consistently stocked to support high-quality patient care.</p>	
DFT ES Biography	<p>I qualified from the University of Manchester in 2009. I completed my DF1 in Accrington and DF2 in Oral and Maxillofacial Surgery in Lancashire. Since then, I have pursued continuous professional development, completing a Diploma in Restorative Dentistry with the FGDP and a Diploma in Oral Surgery. I am currently working towards a certificate in Endodontology. My clinical experience across both NHS and private sectors, primarily in the Greater Manchester and surrounding areas, has provided me with a well-rounded and balanced approach to patient care.</p> <p>I have a strong passion for learning and supporting others in their development. I'm keen to contribute to the growth of early-career dentists by providing a supportive and reflective educational environment. Outside of work, I enjoy staying active, playing guitar and spending time with my family.</p>
