## DENTAL ST1 POST INFORMATION 2026/27

### NHS ENGLAND WT & E – North West

		<p>The junior dentist accepts that he/she will also perform duties in occasional emergencies and unforeseen circumstances at the request of the appropriate Consultant, in consultation where practicable with his/her colleagues both senior and junior. It has been agreed between the profession and the Department that while juniors accept that they will perform such duties, the Secretary of State stresses that additional commitments arising under this sub-section are exceptional and in particular the juniors should not be required to undertake work of this kind for prolonged periods or on a regular basis.</p> <p>Alder Hey Children's NHS Trust is a major teaching hospital of the University of Liverpool. It serves not only the local population of children and is the tertiary referral centre for Children from Merseyside, Cheshire, parts of Lancashire, Shropshire and North Wales for many sub-specialties of Paediatrics.</p> <p>The Trust provides a range of community services including school nursing, home carers and a child development centre. A Child &amp; Adolescent Mental Health service is also provided with an inpatient unit based at the Trust. The hospital has approximately 270 beds, including day beds for surgery. The Paediatric services and expertise within the hospital are considerable and include Orthodontics, Paediatric Dentistry, Oral &amp; Maxillofacial Surgery, Cleft and Craniofacial Surgery, Paediatric Ophthalmology, Cardiology, Cardiothoracic Surgery, Neonatology, Neurology, neurosurgery, Audiology, Nephrology, Respiratory, Oncology, General Surgery and General Medicine. The Radiology Department provides CBCT, CT and MRI scanning service.</p> <p>The state-of-the art hospital opened in October 2015. It sets a new benchmark within the NHS and has won many prestigious awards. The Dental and maxillofacial department is based in the outpatient building. It has 5 Dental Surgeries, a fully equipped speech Therapy Unit, a large laboratory, together with office accommodation. There is a MDT room based in the department used for cleft and craniofacial multidisciplinary clinics.</p> <p><b>Description of second training site</b></p> <p>Arrowe Park Hospital is part Wirral Teaching Hospital NHS Trust. It is approximately 6 miles from Liverpool city centre. Arrowe Park Hospital is a District General Teaching Hospital and it provides a secondary and tertiary consultation service for specialist orthodontic practitioners and general dental practitioners in the area, and other hospital specialists.</p>
