Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>Neston Dental Care is a 3-surgery practice in the village of Neston on the Wirral. We have on-site parking and are 20 minutes' drive from the nearby cities of Liverpool and Chester.</p> <p>We offer a mix of NHS and private dental care, are led by our manager Karen, and supported by a fantastic team of dental nurses, a TCO and reception staff. We have been Denplan excel accredited.</p> <p>I work at the practice as a dentist and practice owner, we have 2 dental associates, Heidi, and Sarah, both of whom were Foundation dentists at the practice and we have a part time Dental Therapist, Hannah.</p> <p>We are supported by a fully comprehensive range of modern equipment and technology and work with a team of fantastic lab technicians. Our FD and associates work with high quality cosmetic dental materials, eg Venus pearl composite, modern bonding materials, Race endo files, apex locator and an Itero digital scanner. Our 3 surgeries, including the FD surgery, have recently been fully refurbished.</p> <p>Our practice philosophy is to ensure a friendly, comfortable environment for our staff and patients and to provide high quality dental care.</p>

Surgery opening hours including normal hours for FD 9am – 5.30 pm Mon – Friday

ES Biography:	<p>I graduated from Manchester University in 1998. I completed my FD year in Leeds and then spent time working as a dentist in Australia. I moved back to the Northwest as a dental associate, becoming practice principal at Neston in 2013.</p> <p>I pride myself on a calm and assured manner, providing the highest standard of care for my patients. I keep myself up to date with modern dental techniques and have undergone extensive training in advanced restorative dentistry and surgery. I have successfully completed the MJDF RCS (UK) and have completed my PG Cert Clin Ed.</p> <p>Whether it be routine preventative family dental care, smile makeovers or tooth replacement with dental implants, my aim is to help my patients achieve and maintain a healthy smile.</p> <p>I am an experienced educational supervisor, supporting a foundation dentist in our practice each year since 2015. I have a well-trained, enthusiastic team and enjoy working in a teaching environment.</p> <p>I am married to Eleanor and have 2 children. To relax, I love to travel and enjoy most sports; a family skiing holiday being the perfect mix of the two.</p>
