KEY

* **Anticipated number of vacancies.** This may be subject to change.

CT = Core Training post:

A training post which will lead to completion of core training in that specialty.

ST = Specialty Training Post:

A specialty training post will lead to Certificate of Completion of Training (CCT) or a Certificate of Eligibility for Specialist Registration - Combined Programme (CESR (CP)). The certificate awarded will depend on the previous experience of the trainee appointed – See http://www.mmc.nhs.uk/specialty_training/specialty_training_2011_final/gold_guide.aspx for more information.

LAT = Locum Appointment for Training:

A LAT post will give you a period of training in that specialty.
