<b>Practice Profile:</b> (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>Welcome to our practice, nestled in the heart of Hindley, just a short distance from Wigan. Established in April 2002, our practice has been dedicated to providing exemplary dental care to our community for nearly two decades. With a patient base exceeding 20,000, predominantly consisting of NHS patients, we take pride in our role as a cornerstone of dental health in our area.</p> <p>Located centrally, our facility underwent extensive renovation and expansion in 2012, ensuring modern amenities and a comfortable environment for both patients and staff. Boasting four fully equipped surgeries, we provide comprehensive dental services utilizing state-of-the-art technology, including digital radiography for enhanced diagnostic accuracy and efficiency.</p> <p>Our team comprises 10 dedicated professionals, including the principal dentist, an associate dentist, a hygiene therapist, a Foundation Dentist (FD), a practice manager, and five dental nurses. Additionally, we offer specialized services such as implant dentistry, aesthetic dentistry, and orthodontics, providing patients with comprehensive care tailored to their individual needs.</p> <p>At our practice, we prioritize patient care above all else. Our commitment to excellence is evident in our busy yet welcoming atmosphere, where strong patient relationships are fostered. We hold monthly practice meetings,</p>

<b>ES Biography:</b>	<p>I obtained my dental qualification from Manchester University Dental Hospital in 1996 and subsequently served as a house officer at the same institution. The following year, I transitioned into general practice in the Manchester area before founding my own dental practice in 2002.</p> <p>Throughout my career, I have found profound satisfaction in all aspects of dentistry. From routine procedures to complex treatments, each patient interaction reinforces my dedication to delivering comprehensive dental care. I am committed to continuous professional development as shown by my recent journey with dental implants.</p> <p>In addition to my dental qualifications, I hold certification as a clinical hypnotherapist. This additional expertise enhances my approach to patient care by integrating innovative methods to improve comfort and well-being. Beyond dentistry, my interests encompass a diverse range of activities. Whether exploring culinary arts, finding solace in yoga, or engaging in recreational pursuits such as football and skiing, I believe in maintaining a balanced lifestyle conducive to both professional and personal growth.</p> <p>I am proud to share that I have recently achieved full membership status with the British Academy of Cosmetic Dentistry (BACD), underscoring my ongoing dedication to excellence and advancement in the dental field.</p> <p>With nearly two decades of experience, I have had the privilege of training Foundation Dentists, a role I thoroughly enjoy. My commitment to guiding and mentoring emerging dental professionals has been a cornerstone of my career for nearly 21 years.</p>
