

Module 1: Teaching and Learning in the Medical Workplace (CPD4706)

HEE Funded Places: Specialty Year Group List 2016-17

PLEASE READ: A trainee must be in the year group stated in the below table for their specialty in **September 2016** to be offered an HEE funded place in either cohort of the 2016-17 academic year. If you will move into the specified year group between October 2016 and January 2017 you will only be eligible for a funded place in the February 2017 cohort.

N.B. Places can now be offered to trainees in the year above or below the specified year group **with agreement from their TPD**; i.e. if the specified year group is ST4 then a trainee in either ST3 or ST5 can be nominated to receive a funded place by their TPD if they are unable to undertake the module in ST4.
