

NW SuppoRTT Course Trauma & Orthopaedic Surgery Day 3

30th January 2023

Aintree SIM Centre, Aintree University Hospital, Liverpool, L9 7AL

This session is aimed at doctors returning to the programme after a period out of training and doctors new to the training programme.

The day will aim to:

- Cover commonly seen on call scenarios
- Familiarise doctors in training with commonly used implants (including saw bone workshop)
- Trial of VR equipment

The session is being facilitated by **Miss Danielle Wharton, Consultant Orthopaedic Surgeon & School of Surgery SuppoRTT Champion** who will aim to tailor the day for those doctors who can attend, in terms of level of training and specialty they are returning to.

If you wish to register please email laura.griffiths@hee.nhs.uk.
