

## Tasmia Khan

---

Tasmia is a principal dentist at Dentology. Tasmia graduated in 2005 from the University of Birmingham & has been practicing Dentistry since. She has also pursued post graduate learning at UCLAN in paediatric dentistry. Tasmia has a special interest in paediatric dentistry and has been leading campaigns at primary schools across Manchester to encourage kids to look after their oral hygiene. She has also been passionately involved in and campaigning for public health initiative “Baby Teeth Do Matter.” Tasmia has worked alongside the Local Dental Network in Greater Manchester. She has also been a mentor and trainer for newly qualified dentists in General Practice.

*If you would like to set up an Individual Peer Review contact the [appraisal team](#) and inform us of your ambassador choice*
