Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	We are a nine surgery, mixed dental practice with access to a wide range of modern equipment including Trios scanning, CBCT, Reciproc, endodontic microscopy and digital radiographs. In summary: we've got all the mod cons to allow you to carry out dentistry to a high level. Several of our team have special interests (implants, endo, ortho etc.). In addition, our clinical lab technician, Pete, is treating patients with beautiful dentures. What sets us apart? Our team are like a family, and we can't wait to welcome you to our practice.		
ES Biography:	As a trainer I am aware of the challenges faced entering into general practice. It can be both a daunting and exciting time. I have been an ES for many years, and whatever your focus or requirements, I will be able to support your needs.
