

Dental Foundation Training NHS England NW

Educational Supervisor – Practice Profile

Name of Educational Supervisor	Kieran Williams
---------------------------------------	-----------------

Practice Name Practice Address	The Village Dental and Implant Practice	
	26 Station Road, Ainsdale, Southport	
	Postcode	PR8 3HS

Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>We are a busy mixed private/NHS practice with 4 surgeries. We are fully computerised with digital x rays and an intraoral scanner. We have a great team of 16 staff members who are experienced in the needs of a new foundation dentist with 10 years experience of this.</p> <p>We have a wide range of experience across all members of staff. Our newest associate has a particular interest in Endodontics and was a clinical lecturer at Liverpool University until very recently and this only adds to our supportive team. Our principal dentist has many years of experience in placing implants and as an ES - having done this for the past 10 years.</p> <p>Ainsdale is a pretty coastal village right on the Liverpool to Southport trainline. We have a well-maintained list of patients meaning FD's often get to see and complete more complex treatment plans and have a wide range of experience.</p>
--	--

Surgery opening hours including normal hours for FD (although could be subject to change)

Monday- Thursday 8:30am- 5:00pm

Friday 8:30am- 4:15pm

ES Biography:

I qualified from Newcastle University in 2018 and completed my FD training at the Village Dental Practice in 2019 and have been there ever since. I completed a PG Cert in Restorative Dentistry in 2021 and have a particular interest in Clear Aligner treatment.

I have worked hard to build up my knowledge and experience over the last 5 years and look forward to passing on as much knowledge and skill as I can as an educational supervisor.
